

WYLDEFYRE

June 2010 No 1

This is a new Newsletter to bring together forthcoming events, athletic meetings, road races, etc., in which the club has an interest. They are mainly Club Championships and a few other interesting local races (*it will not be a comprehensive calendar*) during the next couple of months. There will also some news about significant performances, whether for club or individually. Some of these events may have been mentioned elsewhere on the website and probably in much more detail. However, here it is my intention that everything that is happening in the club is in one place and then you the reader you can go to the section of the site which has more details. It is inevitable that there will be mistakes and omissions and for this I apologise in advance. Please let me know any news or information that you think should go in this Newsletter.

Our Young Athletes have competed in two fixtures at Blackpool on May 2nd against Liverpool Harriers and Blackburn at the Wirral Oval in Bebington against Sale Harriers and West Cheshire. In the first match we were first and in the second we were narrowly runners-up to Sale. Currently we are in third place in the league behind Sale and Liverpool Harriers AC. In the Northern Athletic League, the first fixture was at Wakefield which was a tough baptism. We finally finished in fifth place ahead of old rivals, Preston Harriers.

In the Inter Club series at St Annes, the open squad finished third as did the Vet 40s. The Vet 50s, the Vet 60s finished 2nd and the Ladies finished in first place.

April's Athletes of the Month were Hilary Goorney and Dominic Lavelle. Congratulations to Howard Henshaw and John Bradley on their 70th birthdays. Finally we send our best wishes to Tony Codling for a speedy recovery after his recent accident.
