

Mid Lancs League CPR, Defibrillator & Heart Start Training

**Tuesday 26th February 7.30 pm
St. Saviour's, Church Road, Bamber Bridge PR5 6EP**

The third defibrillator training session is scheduled for this month. It will familiarise you with the Mid Lancs. League's defibrillator and with CPR as well as taking a wider approach of what to do in an emergency. The two and a half hour course is again led by Dawn Taylor of Rossendale First Response who those who have attended the first two sessions will know is very good. Places will be filled on a first-come basis with preference going to those attending for the first time but those who have been before and want to refresh their skills are welcome to take up spare places.
