10	Debbie Terras	42:05
11	Tony Croft	45:36

With reports from Paul Eaton of serious flooding on the course, Tony Croft kindly took an early morning drive to concur that this was still the case. Therefore it was decided, on H&S grounds, to revert to a course seldom used which was 2 laps of Lambs Hill and starting further down New Lane making a distance of just under 4 miles and a slightly more testing route for the runners. It was good to see 11 athletes in attendance and I can only apologise for not being there to assist.
